Written Testimony

As presented by much testimony from residents in the past testimonies, the traffic concerns need to be addresses before more apartment units can be built in this area of Aiea, Moanalua, Salt Lake, Red Hill. The traffic is already so congested in the morning and afternoons, coming and going to school and work and with no traffic signals and inadequate traffic lanes to handle the current load of cars and pedestrians ,we really need a traffic study before anything more building is allowed. I am looking forward to hearing the comments and suggestions that the DOT may have to help the residents here.
